

24th Apr 2020

Dear Parents/Carers,

As we approach the end of another week in these strange times, I hope you are all well and have all had a lovely Easter and a chance to enjoy the sunshine.

Next week we will be launching our See-saw online learning platform that will deliver daily tasks for your child/ren. It will allow regular communication between your child and their teacher. WMAT are also working on a plan to support families without a device so we will be in touch about that in due course too.

From first-hand experience, I know that home learning is tricky, especially if you are also trying to work at the same time. I want to reassure you that the learning activities set by the school are not compulsory and we just want you to do what you can at this time.

We are all in different situations at home, and our main aim to support and assist you at this difficult time, making sure you are all safe and well. Please do email the school if you would like a staff member to call you about anything or you can call SBL reception and they will put you in touch with one of our staff members at the base for keyworker children. **SBL office number 0117 456 5900**

Take care and stay safe

Joy Mounter Headteacher

Home learning overviews

New weekly overviews have been uploaded to our school website [here](#). This will continue even when See-saw is launched and will always have some activities that don't require technology. We also have a link to well-being resources [here](#).

Writing Competition

Don't forget the Twisted Tales WMAT writing competition that was emailed out. All stories must be based upon an existing traditional tale or fairy tale and entries must include a title. The word limit is 500 words for primary. The closing date for all competition entries is 12 noon on Friday 1st May 2020. Please don't forget to include your name, school and year group. Email your finished story to: twistedtales@wellswaymat.com

You could win an Amazon voucher!
