Newsletter No.18 5th June 2020

Dear Parents/Carers,

Welcome back to all our families, pupils and staff to the final half of the summer term. As you know we have been closed throughout the pandemic and key worker children have attended school at SBL academy. At the end of today we said goodbye to SBL, giving our thanks, and we are excited to be bringing these children back to The Meadows on Monday.

The children have really enjoyed their time there and made some cards to say thank you.

We have gained considerable experience over the last couple of months in providing a safe environment. We are aiming to build on this experience by gradually opening the school to more children from YR, Y1 and Y6 on Monday 8th June. Considerable work has gone into preparing the school for more pupils attending and making the environment as familiar as possible for children whilst being mindful of the importance of the practical steps we need to take to reduce the risk of infection transmission. Please know that staff will be on hand, providing support and reassurance as required. The Meadows team will be there to greet children on arrival and will provide reassuring smiles and encouragement. I look forward to seeing you at the entrance on Monday morning and Mrs Campbell will be in the playground to direct you out of the site safely.

If you are returning to school on Monday, please make sure you have read through the information sent carefully to ensure children and staff are as safe as possible.

Take care and stay safe
