Dear Parents/Carers,

We are so pleased to be open again and welcoming some children back to The Meadows.

Pam our crossing patrol has also joined us this week and will support you in crossing at a social distance. She will not be there on a Friday at 3pm but will be there to support the crossing on a Friday lunchtime.

We tried our first whole school celebration using Microsoft Teams today where all the classes connected together in a virtual meeting and we watched children receive their certificates. Very strange times but it was great for children to see each other in their bubble groups using technology to connect us.

On Monday I will be doing a story from my office that the children will see on Microsoft Teams. I will then send a video of this to all our home learners via Seesaw. We so wish you could all be back with us but it is so difficult with the safety measures we have had to put in place.

On the week commencing 22nd June we are going to go ahead with our Health and Sports week. This will be for the children at school and at home. Information will be posted on See saw and we will share the children's experience in school via our social media pages.

Take care and stay safe

Joy Mounter Headteacher

We are aware that with the launch of online learning via Seesaw, the children will have less time for the doodle apps. It is great to see so many still reaching their targets!

Report a concern during Covid 19

Use this form to make The Meadows Primary School aware of a circumstance that has affected your child during this period of partial school closure. This might include: bereavement, mental ill-health, finance, domestic abuse, etc. We will then ensure that the appropriate staff are made aware and, if necessary, they will call you back. All information will be treated as highly confidential and will be used to inform support for children and families now or on their return to school. Click [here](#) to report a concern.

Poetry Slam Alert.

WMAT is running a poetry competition- children have been asked to perform a poem. Either their own or one of the ones provided. Please look on Seesaw/ Tapestry for more details. We cannot wait to see what you produce.

Our Opening This Week

We did send these pictures and messages to WMAT for their parent letter but unfortunately they were missed. We should have an extra feature in the next one.

We had a great first day back at The Meadows and we were so pleased to be opening the school again as it had been closed since the end of March. Thank you so much to SBL academy who hosted our key worker provision during this time. The children and families that returned on Monday have been amazing and quickly adjusted to the changes we have put in place. A big thank you to the whole school community from Mrs Mounter and the staff.

A parent said, "My child has had the best day back at school and wouldn't stop talking about it. He has had his tea and is now wanting to go to bed. What a result so thank you."

Year 6 feedback – I was very excited to come back to school as I got to see my friends and teachers. I really missed school. Mrs Holmes said we might get to design our own t-shirts, which I am really excited for.
