Dear Parents/Carers,

We have enjoyed our health and wellbeing this week immensely. It has been wonderful to see children both in school and out taking part in a range of activities promoting positive health and wellbeing.

This week also saw our first ever virtual sports day. The children in school had a great time, and although we were unable to invite people in as normal; they got stuck in and had lots of fun. Thank you to all the children at home who took part and submitted their scores. We had a great response and your scores helped to shape the overall winners. Please have a look at Seesaw or Tapestry to see my video announcing the winners to the children. It was a very close competition- the winners in Reception and KS1 were Foxes and in KS2 it was Otters. Foxes won overall by a whisker of 5 points!

We continue to be incredibly impressed by the children working at home and sharing their learning. Please use Seesaw or Tapestry to continue sharing anything the children have been up to as the teachers love to see it.

We are aware that with some children returning to school, there will be less time for the doodle apps but try and make time for at least 10 mins each day! It is great to see so many still reaching their targets!

EMTAS Art Competition.

To celebrate Gypsy, Roma, Traveller month, South Glos have launched a funky art competition! Please see Seesaw/ Tapestry for more information. There are prizes for the 1st, 2nd and 3rd best entries of WHSmith vouchers. So fetch your brightest colours and good luck!

Pictures of art work should be emailed to alice.jones@southglos.gov.uk

CLOSING DATE 30TH JUNE

Planning ahead: We are currently looking at ways to plan a transition session in school before the end of term for children in Year 2, 3, 4 and 5 who are not accessing key worker provision. As you can imagine, with the restrictions on bubbles of 15, space in school, and staff not being in contact with multiple groups, this is proving challenging. We have had a plan approved by the WMAT Trust Board and will be in touch via email today with a sign up form. We will then be able to send invites with details of sessions next week.

We know it is challenging to think about what things might be like in September whilst there are still so many unknowns. However, we are planning for a 'normal' school year so this is what you can expect. If guidance means that this will not happen then we will communicate any changes to our plans as soon as we can. We hope to be informed about the Government's plans for schools next week so that we all have as much notice as possible.
