Dear Parents/Carers,

What a great week. It has been lovely to see most of the children back in school and we send our best wishes to any children and families that are still having to isolate. If there is anything you need from school, do let us know and we will do what we can to help.

The operational information for September is just being finalised and approved by WMAT Trust board and we will get it to you next week.

Thank you to all parents who completed our parent survey. We had 86 responses and it has given us a really positive picture of the school. Of course there are always things we can improve on so staff will look at these responses with the Governors in September. We will then be in touch to let you know what we have taken forward from your feedback so we can make the things we do even better.

We are very excited that the Year 6 are getting to do a performance to end their time at The Meadows and that they will have a socially distanced audience. They are busy rehearsing in a very short time.

I am sure it will be great! We wish them all the best for their next steps to Secondary school. Thank you for being such a wonderful class!

This evening after school we will have our second teddy picnic for our new Reception starters. It has been lovely to meet new families and welcome them to our school.

Topic letters for each class, outlining the learning for next term, will be emailed to you shortly. Keep an eye out!

This will be the last newsletter of the term so I wish you all a happy and safe summer break.

Joy Mounter Headteacher

Thanks to our School Governors

On Tuesday, our Governing Body met for the final time this academic year. We would like to say a huge thank you for their voluntary contribution to our school improvement work. We hope they have a lovely Summer break and look forward to them coming in to school on September 21st for their Governors day.

If you are interested in becoming a parent governor we do currently have a vacancy so email the school on
