Newsletter No.19 – 14th July 2022

Dear Parents/Carers,

Thank you to everyone who supported our Summer Fair. It was a lovely community event and the sun was shining for us. Thank you so much to the PTFA for organising it and the staff and parents for helping on the stalls. A special thank you to our chair Dawn Thornton who lead on the organisation. We do not yet have the total funds raised, but thank you to everyone that came and joined in the activities or who bought raffle tickets.

Last week we had 2 fantastic Sports afternoons. The children were amazing cheering each other on. We can announce that the EYFS/KS1 winning house was Badgers and the KS2 winning house was Otters. The overall winners were Badgers with Otters a close second.

Today your child will bring home their school reports so look out for these in your child's bags. Thank you for all you do to support your child's learning at home as we are aware learning is a partnership between school and parents and carers.

On Monday this week, all the staff went to our annual Futura conference. It was great to be together with colleagues from other schools sharing best practice.

On Wednesday the children spent the morning with their new teacher. It was great to see them in their new class environments and showing their new teachers the best they can be. I hope they are all excited about their new classes and that they enjoy the rest, relaxation and sunshine over the Summer holidays.

Have a lovely Summer break

Governor's day

'On Tuesday July 12th members of the Academy Governance Committee met to look at Personal Development at The Meadows. This involved meetings with staff, pupils and also visiting classrooms to see PSHE lessons being taught. Governors then joined the pupils for school lunch before holding their last meeting of the academic year. It was a pleasure to see how engaged the pupils were in lessons and to hear how they felt they had benefited from PSHE activities throughout the school.' Diana Allez Chair of Governors.

The school would like to say a big thank you to the Governors that attended on this week. We were able to look more closely at the area of Personal Development within school, to shape what we need to work on next year as part of our school improvement plan. We will keep you updated on further developments as they progress but aspects of Personal Development around the Equality, Diversity and Inclusion will be a key priority for our school next year. Miss Pickerill is going to be our Equality, Diversity and Inclusion Ambassador next year and will be leading an Equalities Team.

KS2 performance

The children were amazing in their performance yesterday. They had amazing singing, confident acting and great comedy moments. It is always one of the highlights of my year to see the end of year KS2 performance.
