

Dear Parents/Carers,

Thank you to everyone who completed our parent survey. It is now closed and will be shortly reviewed by myself and the Chair of Governors, Diana Allez. It is great to read all of the positive responses about the school and we will be looking at ways we can improve the things we do based on your feedback.

Next term the children will be completing a survey created by the school council. We will use this alongside the parent feedback to think of next steps for improving our school.

The children have been busy within their topic lessons and are preparing some great things to share with you next week.

Don't forget to come along on Monday 10th February at 2.45pm to see some of the learning from the classes this term. The session will be open until 4pm if you would prefer to look round after school.

Tonight we have the family quiz night at school. Thank you to all the parents and families supporting this event. It sounds like it is going to be a great night. Thank you for all the effort from the PTFA in organising this.

Don't forget it is INSET day on Friday 14th Feb!

Safer Internet Week

The children have had a great week learning about online safety. Thank you to Mrs Campbell who launched the week with an assembly for the children. I have seen many great activities focused around the theme for this year of 'together for a better internet.' If you would like to know more about keeping your child safe online then there are many great sources of information out there. <https://www.saferinternet.org.uk/safer-internet-day/safer-internet-day-2020/i-am-parent-or-carer>

Please arrange to come in and see Mrs Campbell our computing lead if you feel you need any support and guidance about keeping your child safe online.
