

3rd Apr 2020

Dear Parents/Carers,

Hello everyone. This is the last newsletter of this term and what a strange way it has ended. At the start of term I never imagined I would be sending the last newsletter of the term whilst the school was closed.

I hope you are all well and finding your new routines. It is very strange, and sometimes challenging, adjusting to a different way of living. Look after yourselves and each other. Please do email us if there is anything we can help with (except getting an online food delivery slot as that seems impossible at the mo!) Next term we will be introducing an online learning platform to connect children and teachers so we will let you know more about this next term. I hope you all have a happy Easter.

This week is the first week of the children having access to the Doodle apps. I hope you have all been able to access them but if not do email in and let us know. The teachers are viewing who has logged in and how many stars are being earned and there will be some certificates coming out next term for top doodlers! Also on Friday 17th April you will receive a weekly home learning sheet from the class teachers. This will come via email and be on the website.

Take care and stay safe

Joy Mounter Headteacher

TT Rockstars Year 1 to Year 6

Battle against Saltford Primary School

The final results are Saltford Primary 173,135
to The Meadows 122,471

The Top performer across both schools was **Elliott Y6** and the top class was **Honeysuckle** with a class **lead of 27,799 points**. Amazing!
We did really well considering they have 10 classes taking part at their school and we only had 6 so a huge well done to everyone at The Meadows!

Home activities for Easter

We have created some printable resources
KS1 [here](#) KS2 [here](#) KS1 and 2 crafts [here](#)

If you don't have a printer or fancy something different here are

Mrs Mounter's ideas

- Create a scavenger hunt around the house
 - Make a junk model
 - Sew a sock puppet
 - Do some cooking or baking
 - Have a tea party
 - Make a kite
 - Set up an obstacle course with scores for each obstacle
 - Write letters or emails to family or friends
 - Play or make a board game
 - Listen to music
 - Make up a dance
 - Look through family photos
 - Have a spa day at home
 - Set up a shop
- Oh and of course have an Easter egg hunt!
