Newsletter No.15 – 13th May 2022

Dear Parents/Carers,

Another great but busy 2 weeks at The Meadows. This week we have had all the Year 6 children working really hard on their Standardised Assessment Tests (SATs). They have been absolutely amazing, especially as we had OFSTED come to inspect our school in the middle of their SATs weeks. The Year 6 did not let this phase them and the inspectors kept away from their tests to make sure they still had the opportunity to show their best and not be disrupted.

On Tuesday, we welcomed Paul Walker and Gareth Simons, our OFSTED inspectors in to school. They spent 2 full days looking at the quality of education, behaviour and attitudes, personal development and lots more. We are pleased that the children and staff showed them our great school and when the report is published the outcome will be shared with you. This should be within 3 weeks. Thank you to everyone who completed the parent survey to give feedback also.

We are really looking forward to our jubilee celebration on 26<sup>th</sup> May at 1.30pm. The poster says to bring a picnic but the children will have had lunch as usual so maybe just a few snacks are needed. Zest will be offering you the opportunity to order a cake, fruit and drink box and we will also have an ice cream van and refreshments available. We hope you can make it to our celebration where the whole family are invited to join us. We are also going to invite our new families who are joining us in September as well as some local pre-schools. We are really excited about our jubilee event.

Children in Year 4, 5 and 6 have been invited to take part in the Futura Oratorio. This will be an event at the Bath Forum on 18<sup>th</sup> July where choirs and orchestras will perform a piece together. A piece of music has been created by a composer especially for this event and the children who have signed up will start learning the songs with myself and Mrs Holmes from next week. If your child has not signed up but is interested then do let us know via the school office.

Have a lovely weekend

### Online Safety and Cyber Bullying

I would like to remind you of our Online Safety parent Newsletter that we publish each month. This is a copy of the May Newsletter that has a TIK TOK update.

[Primary Online Safety Newsletter May 2022 The Meadows Bristol 29-04-2022 \(002\).pdf](#)  
([themeadowsprimaryschool.org.uk](http://themeadowsprimaryschool.org.uk))

I want to make you aware of this as we have had incidents recently of children at The Meadows using TikTok and concerns being raised by parents with regards to online safety but also cyber bullying. The recommended age for TikTok is 13+ so if you decide to let your child use it then you need to monitor their use and make sure they understand how to be safe online and show respect to others. We of course always teach the children about online safety and cyber bullying but you may want to review what your child has access to in light of the information in the newsletters.
