Newsletter No.18 – 1st July 2022

Dear Parents/Carers,

We are pleased to announce that we have had our OFSTED report and that we are a 'Good' school. A letter has been sent out today with a link to the report.

We are looking forward to our Sports afternoons next week. The children can come in PE kits and bring sun hats and sun cream if the weather is warm. We look forward to seeing you there.

On Wednesday 13th July the children will have a 'move up morning' where they will meet their teacher for next year. The classes for September were published in the last newsletter.

A reminder we have an INSET day on 11th July as staff are attending the annual Futura Conference.

I would like to apologise that the announcement on the My Child at School App caused a barrage of notifications. I have raised the issue with the provider and they have identified a system error. I will not send any further announcements until this is rectified.

A reminder that we have a special lunch on Thursday next week which will celebrate the Chinese year of the dragon. The menu has been sent out to parents.

We are really excited about our school fair on Friday 8th July and hope you can make it after school. We are also keeping our fingers crossed for sunshine ☺

Have a lovely weekend

Choir at Avon Valley Care Home

A big thank you to Cara Clark our choir leader who organised for the children to sing at a local Care Home. This is a message from her.

'I just wanted to tell you that this afternoon was a huge success. The children were a credit to your school and their families. They were superbly behaved and tried so very hard with all their singing.

You must tell the children the impact their singing had around the entire home after you all went. Morale after the visit was sky high. The staff loved it and one of the residents who is 99 said "I hope I live long enough to see them come back again"

Well done to all the children who took part as you gave a huge amount to the community.

Governors

We are really looking forward to welcoming some of our Governors to our school on Tuesday 12th July for a day where they will focus on the school's personal development. They work hard to support and challenge the quality of education at the school and support leaders in moving the school forward on their journey of improvement. We are really lucky to have two parent Governors Katie Pavey and Matthew Sands on the Academy Governance Committee. They play an important role in bringing a parent perspective to our meetings. Their role is not to bring other parents feedback so if you do have any ideas for improvements do drop the school an email and we would be happy to respond. A full list of our Governors is on our website [here](#).
